- Bridges creative and technical sides of computer-based media art production
- Equips students to be proficient in a wide range of computational media
- Trains students in computer graphics, digital imaging, mobile media, internet applications, computer games and interactive media
- Prepares students for jobs in the computational media industries

Rotaeno is the world's first rotation control mobile rhythm game developed by Chris Choi and his partners.

Choi Yan Lok Chris
BSCCM student, 2018 Cohort

ADMISSIONS

For details, please refer to www.admo.cityu.edu.hk.

The School of Creative Media (SCM) at City University of Hong Kong is an international hub for discovery and innovation in Asia where art and technology meet.

Mentored in state-of-the-art studios by an internationally renowned faculty, students learn the skills they need to become creative masters of the digital tools and media that define our lives.

Richard William Allen
Dean, School of Creative Media

JUPAS APPLICATIONS

Under the hybrid admissions model from 2018 entry, JUPAS applicants may apply for admission to SCM with an undeclared major or admission to a major. Each applicant can choose one or any combination of the four admission codes:

School-based (with an undeclared major)

JS1041 SCM

(Applicants will declare their major towards the end of the first year of study and will have a free choice of majors.)

Major-based

JS1042 BA Creative Media
JS1043 BSc Creative Media
JS1044 BAS New Media

DIRECT APPLICATIONS

Depending on applicants' entry qualifications, they may apply for admission to first-year studies or admission with Advanced Standing for an SCM degree programme:

School-based (with an undeclared major)

1041 SCM

(Applicants will declare their major towards the end of the first year of study and will have a free choice of majors.)

Major-based

1042 or 1456A BA Creative Media
1043 or 1468A BSc Creative Media
1044 or 1471A BAS New Media

SCHOOL OF CREATIVE MEDIA CITY UNIVERSITY OF HONG KONG

Level 7, Run Run Shaw Creative Media Centre
